Writing and/or Photography

\$ 65 hour

For your page or coupons, and only if you need help. Note: You are free to use photos and text on other websites and media. Contact us for estimate.

I Promise:

I get it. It won't be easy to get people to shop locally.

Therefore I promise to be open-minded, and to work with Lex Is More to develop creative, compelling ways to attract our customers. In other words, I promise not to turn off Lex Is More readers with dull offers or ordinary promotions.

Finally I understand that this is a town-wide effort and I will be a positive team player.
